PUMPKIN PATCH

Thank you for choosing Spina Farms Pumpkin Patch for your fall party this year. We are excited to welcome you and help you celebrate a day at our pumpkin patch.

- Reservation Fee - \$200 for 3 hours (this includes a 30-minute set-up, 2 hours of party time, and a 30-minute teardown/clean-up) per tent. Each tent has 4 picnic tables for your use.
- Additional hours may be added for \$100 per tent if availability permits.
- Your non-refundable tent fee deposit is required at the time of reservation. (Credit cards are accepted) Your balance is due 24 hours prior to your event.
- Park passes for you and your guests are available at a discounted rate of \$25 per person. Individual tickets are available as well.
- We also offer party favors, private hayrides, and meal combos. Please request more information from your party planner if interested.
- Parking is free for you and your guest. Please have your guest indicate your “party name” to the parking attendants.

Please plan to arrive 30 minutes before the scheduled party time due to weekend traffic; you will be greeted by a Spina Farms event coordinator, who will escort you to your area, where you can begin setting up for your festivities.

During your visit...

- You will enjoy a shaded tent area with four picnic tables.
(Please allow 30 minutes for set up and 30 minutes for cleanup).
- You are welcome to decorate and cater as you wish. For obvious fire danger, flames of any kind are prohibited. **NO BIRTHDAY CANDLES.**

Things to remember...

- Table coverings for 4 picnic tables
- Sunscreen and hats – October can be hot!
- **Fire is a concern**– we use hay for our ground covering and seating – which is extremely flammable, so we ask that you do not use any flames for catering or candles while in the patch.
- **Alcohol is not permitted on site**
- **Piñatas are not permitted.**
- **Bounce Houses not permitted.**
- Garbage cans are provided. Please leave your site clean, as the next party will arrive promptly after your departure.

At the conclusion of your scheduled time...

- We will give you a friendly reminder that your time is coming to an end.
- After your party, you are welcome to stay and enjoy the patch in a non-reserved area.

Other things to note...

- If you hire any outside business (caterers, photographers, entertainers), we must have a copy of their liability insurance and be named as additional insured for them to be able to conduct business on-site on your behalf.
- Petting Zoo and Pony Rides are only open **Saturdays and Sundays from 10 am-4 pm**. Tickets are sold by the Vendors - separate from Spina Farms Rides.
- Our weekends can be busy, so you may want to allow extra time to park and bring in your party supplies.
